

How to access the DID-ACT moodle

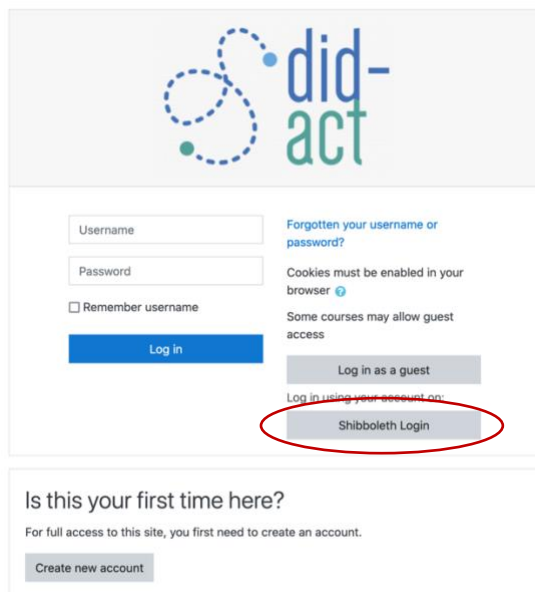

Instructions on how to access the DID-ACT moodle platform

If you are accessing the DID-ACT moodle platform for the first time, please go to [Registration](#)
If you are coming back and want to login or have problems logging in, please go to [Login](#) or [I have forgotten my password](#).

Registration

If you are for the first time accessing the DID-ACT moodle, you have two options to create an account.

(1) If you have an email address with a university or academic institution, you can click on "Shibboleth Login" and then select your institution and click on "ok". You are then redirected to your institutional login page, where you enter your credentials. Finally, you are redirected to the DID-ACT moodle and can access all courses.

Forgotten your username or password?

Cookies must be enabled in your browser

Some courses may allow guest access

Log in as a guest

Log in using your account on:

Shibboleth Login

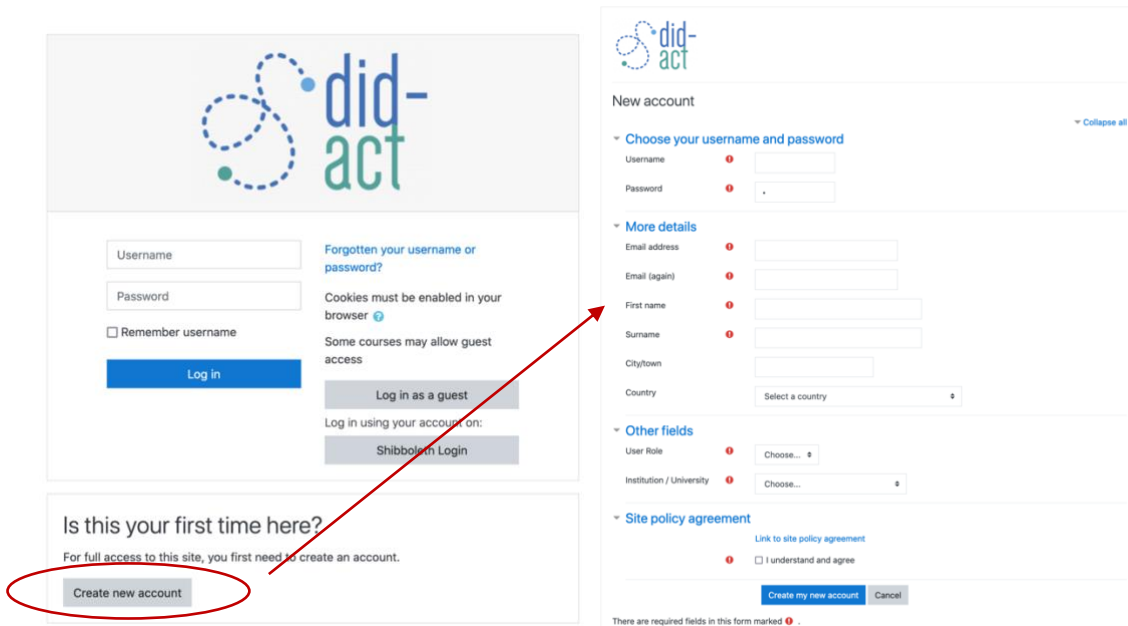

Is this your first time here?

For full access to this site, you first need to create an account.

Create new account

(2) If you do not have an institutional email address, do not want to use it, or the Shibboleth access described above does not work you can also create an account. Click on "Create new account" and you are redirected to a form where you can choose a username and password and enter some personal details and then click on "Create new account". A confirmation email will be sent to your email address including a link with which you can complete your registration. **Please also check your Spam folder if you are not receiving an email.**

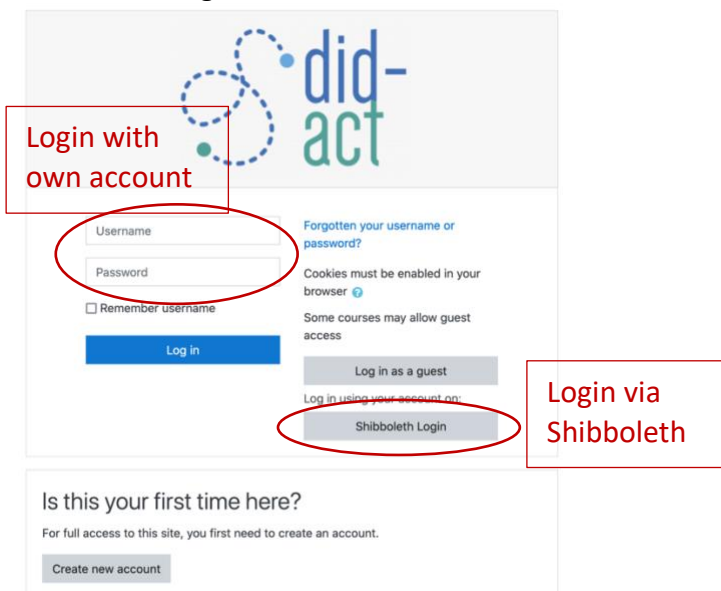

How to access the DID-ACT moodle

The image shows the DID-ACT Moodle login page. On the left, there is a login form with fields for Username and Password, a 'Remember username' checkbox, and a 'Log in' button. Below this is a section titled 'Is this your first time here?' with a 'Create new account' button circled in red. On the right, there is a 'New account' form with sections for 'Choose your username and password', 'More details' (including email, first name, surname, city/town, and country), 'Other fields' (including user role and institution), and a 'Site policy agreement' section. A red arrow points from the 'Create new account' button to the 'New account' form.

Login

If you are coming back to the DID-ACT moodle, the mode of logging in depends on whether you have created your own account or you have used the Shibboleth option. With your own account, please enter your login and password into the fields. In case you have used Shibboleth, please follow the same procedure as for the first time visit and click on "Shibboleth Login".

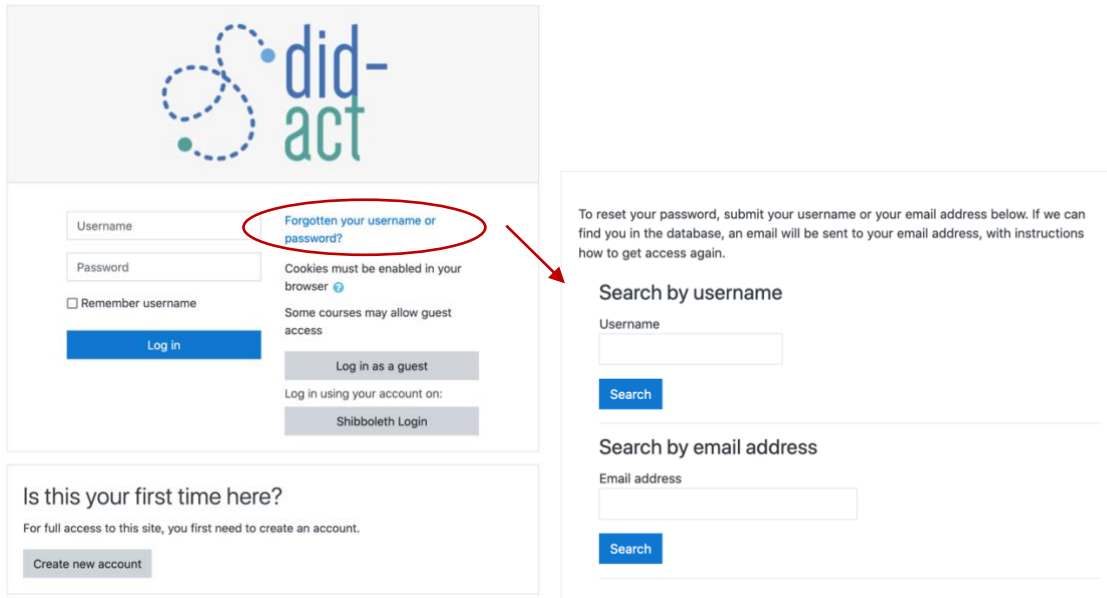

The image shows the DID-ACT Moodle login page with annotations. A red box highlights the 'Username' and 'Password' fields with the text 'Login with own account'. Another red box highlights the 'Shibboleth Login' button with the text 'Login via Shibboleth'. The 'Create new account' button is also visible at the bottom.

How to access the DID-ACT moodle

I have forgotten my password or login

If you cannot remember your login or password, please click on "Forgotten username or password". You will be redirected to a page where you can enter your username (=login) or email address. If your account can be found, you will receive an email with further instructions. **Please also check your Spam folder if you are not receiving an email.**

The image shows two screenshots of the DID-ACT Moodle interface. The left screenshot is the main login page, featuring the DID-ACT logo at the top. Below the logo are input fields for 'Username' and 'Password', a 'Remember username' checkbox, and a 'Log In' button. To the right of the password field, there is a link for 'Forgotten your username or password?' which is circled in red. Below this link are options for 'Log in as a guest' and 'Shibboleth Login'. At the bottom left, there is a section for 'Is this your first time here?' with a 'Create new account' button. The right screenshot shows the password reset page, which includes a heading 'To reset your password, submit your username or your email address below. If we can find you in the database, an email will be sent to your email address, with instructions how to get access again.' Below this text are two sections: 'Search by username' with a 'Username' input field and a 'Search' button, and 'Search by email address' with an 'Email address' input field and a 'Search' button. A red arrow points from the circled link in the first screenshot to the top of the second screenshot.
